

Love in outer space

bass in c

Sun Ra

\js

1 2 3
♩. = 52-72

simplified

aux.

Auxillary parts are provided in the case of multiple players. As you can see, the bass plays the same 1 bar phrase over and over and over again. The auxillary parts are for some players to be able to play something a bit different once in a while - maybe between sections, or on a whim.
